

Instructions to presenters in video sessions

Congratulations! Your video abstract has been accepted for presentation at the forthcoming Annual Congress of the European Association of Urology in Barcelona, 16-20 April 2010.

The quality of the congress is extremely dependent on the calibre of the presenters, and the EAU Video Committee would like to remind you of a few key points:

- Over the course of this year the EAU informed on the requirement to provide a Conflict of Interest form as a new policy for all those involved in EAU scientific activities. Therefore we kindly request you fill out a Conflict of Interest form when you are speaking at the EAU Annual Congress. The form is available on-line <http://faculty.uroweb.org> . In case you already filled out such a form please review (and confirm) whether all information provided is still up-to-date.
- The EAU Scientific Office requests that you declare any relevant links to the industry in relation to your presentation or other conflicts of interests. We would be grateful if you could declare this at the beginning of your session
- Do not exceed the time limits: 10 minutes for your presentation and 4 minutes for discussion. If you exceed this time limitation you will be interrupted and asked to finish.
- Leave time for questions
- Speak slowly and clearly
- Be present in the room 15 minutes prior to the start of the session
- **The video presentation which you already have submitted will be used for your presentation in the video session, but please bring the master tape/DVD of your presentation as a back-up.**
- **Date, time and place are listed at the congress website <http://www.eaubarcelona2010.org> under the header 'scientific programme' and in the programme book.** A video abstract presenter/author must be present for the duration of the whole session in which he/she is scheduled

Format of the video session:

- Introduction by the chairs (3 minutes)
- Presentations (10 minutes for video and 4 minutes for discussion per presenter)
- Conclusion by the chairs (3 minutes)

We look forward to seeing you in Barcelona!
